Dr. Danielle Smith Laughlin

Presenting

Managing Canine Heart Failure in 2014

Dr. Laughlin will be discussing the current ACVIM guidelines and research acute CHF and long term management along with the diagnosis of CHF and cardiac disease. Danielle Laughlin is currently finishing the second year of her cardiology residency at the University of Pennsylvania Matthew J Ryan Veterinary Hospital. She works with Dr. Mark Oyama and Dr. Meg Sleeper focusing on small animal cardiology including echocardiography, clinical disease management, and interventional medicine (pacemaker implantation, PDA occlusion, balloon valvuloplasty).
